"Dune Rats have released their most accomplished collection of songs to date ... The Kids Will Know It's Bullshit is meat-and-two-veg garage punk at its best and fans of the hard partying trio are bound to find plenty to like here" - Courier Mail, ★★☆☆

"The Brisbane hooligans blend pop melodies with scuzzy guitars and stick-it-to-the-man platitudes. It's a shedload of fun ... this is an album that will sate their fans and garner plenty more" - Herald Sun

(March 9, 2017 – Toronto, ON) – Australia's favourite stoner pop band **DUNE RATS** are thrilled to announce that they will be returning to Canada this spring for a headline tour in support of their acclaimed sophomore LP ***The Kids Will Know It's Bullshit***. The 9-date tour kicks off in Toronto at The Great Hall on April 19 and includes first-time appearances in St. Catharines, Edmonton, Calgary, Banff and Canmore. Tickets for the tour will go on-sale this **Friday March 10 at 10 am local time**. For all confirmed tour dates and venue information, please see below.

Produced by FIDLAR'S Zac Carper, *The Kids Will Know It's Bullshit* garnered the trio their first #1 debut on Australia's ARIA album chart, as well as prominent positions on Triple J's Hottest 100 for their anthemic singles "[Bullshit](#)" and "[Scott Green](#)". Recorded at Head Gap in Melbourne, *The Kids Will Know It's Bullshit* is the sound of a band working together with their best mate (Carper) to make rad tunes with hundreds of beers and laughs along the way. In a nutshell, the LP is "a 30-minute anxiety trip of stoner pop".

The Kids Will Know It's Bullshit is now available through [Dine Alone Records](#) in North America.

No bullshit punk done well."* The album was later released in North America in 2015 via **Dine Alone Records**. From playing sell-out tours in Australia (including co-headlining with punk legends Cosmic Psychos), to performing alongside The Subways in Europe and besties FIDLAR in North America, the band have had a stunning ascent so far.
