### THE LUMINEERS EXCLUSIVE RECORD STORE DAY RELEASE *SONG SEEDS* AVAILABLE APRIL 22, 2017

OPEN FOR U2 IN TORONTO JUNE 23 + TOM PETTY IN VANCOUVER AUGUST 17

(April 20, 2017 – Toronto, ON) – Two time GRAMMY nominated artist, **The Lumineers** will release an exclusive 10" titled **Song Seeds** as part of **Record Store Day** on **April 22, 2017**. This Record Store Day exclusive 10" vinyl includes alternative versions from two tracks **from their No. 1 album Cleopatra** - each recorded at a different point in the song's life. There's the "song seed"- which is the early demo version, the album cut, and a live version pulled from one of the band's current world tour. The 10" exclusive features current hit single, "Angela" and deep cut "Long Way From Home", and is a great piece for anyone who loves the band and wants to feel a part of their creative process. For a list of roughly 150 participating Canadian stores, visit Record Store Day's official website: <http://www.recordstoreday.com/Stores>.

**The Lumineers'** sophomore album *Cleopatra* hit **No. 1** on the Top 200 Soundscan Chart (Canada), the Billboard Top 200 Album Chart (U.S.) as well as the Official Albums Chart Top 100 (UK). *Cleopatra* is the first No. 1 album from indie powerhouse **Dine Alone Records** and **Dualtone Music** (an Entertainment One Company) this year. *Cleopatra* is available to purchase via Dine Alone's website [here](#) and iTunes [here](#).

Last year the band sold out Toronto's Budweiser Stage (formerly Molson Canadian Amphitheatre) within minutes of its onsale, and more recently wrapped up their first ever North American headlining arena tour. The hugely successful *Cleopatra World Tour* included stops in Montreal, Quebec City, Ottawa, London, Winnipeg, Saskatoon, and Edmonton. The Lumineers will be coming back to Canada as direct support for U2 in Toronto on **June 23** and Tom Petty & The Heartbreakers in Vancouver on **August 17**. See below for more details.
