(June 23, 2017 – Toronto, ON) Australia's favourite stoner pop band **Dune Rats** have had a huge year so far – a **Number 1 ARIA Album chart debut** for their acclaimed sophomore album *The Kids Will Know It's Bullshit*, a sold out Australian album tour and massive international tours covering 40+ shows throughout Canada, Europe and The UK. The guys are currently midway through their 'Fuck Yeah Ledge Yew!' regional tour in Australia, before heading to Byron Bay for Splendour In The Grass, later next month. **With all of this and zero time to bat an eyelid, it makes sense that they are announcing Dunies TV – Season 2 – *Miscommunication & Compromise*.**

"We pretty much filmed our whole lives in this band over the years so we can entertain ourselves and others. There's some fucking funny shit in the archives for people with this sense of humour... There's probably about 4 million hours banked up of footage and this season is the best/ most relative shit that we're keen to drop this year" - Dune Rats Drummer BC explains, adding an intro to long-time collaborator **Vorn Hunt**. "Years ago, we met a film/ editing guru who is the funniest dude ever, so yeah he's been coming on the road/ in the air and doing this shit with us".

What does Vorn think? He says "When I was putting this season together I tried to make every nuts idea the boys came up with a reality, which has made the episodes like nothing else out there. When I get 2am calls asking me to jot down notes like: "Two cans of beer have a sword fight and one gets stabbed and is turned into bong, then smokes itself", I know I've chosen the right career.

Amongst the continuing madness of life as a Dune Rat, Season 2 tells the over-arching story of life as a recording and touring band -*Miscommunication & Compromise*. Singer-guitarist Danny Beusa comments "In season two we're still traveling the world doing stupid shit and playing shows, but this time we wanted to show all the compromises and miscommunication that come with running/being part of a band. So, we set ourselves some 'possible/impossible' missions to see what happens."

If episode 1 is anything to go by, fans and lovers of good clean fun are in for a wild and funny ride that could only be told by the Dunies.
