(September 28, 2017 – Toronto, ON) – Quebec metalcore band **CARDINALS PRIDE** have announced that they will release their anticipated debut full-length *The Quiet Erosion* on **November 10** via **New Damage Records** worldwide. Produced by **Cameron McLellan** (Protest the Hero) at **All Buttons In Studio** in Ottawa, *The Quiet Erosion* follows Cardinals Pride's critically heralded 2016 EP *Those People will Never Die*, which featured the monster single "[Bearers](#)" (313K+ streams on Spotify). In anticipation of their forthcoming full-length, the band has just premiered the official video for their brand new single "**Marrow**" via **Exclaim!**. **Watch + share the video [HERE](#).**

Says Alex Pare of the track, "'Marrow' is one of the first songs we wrote on *The Quiet Erosion* and we're so happy to finally release it. It's a song that has changed a lot since its first draft and I feel like going through those rearrangements has helped us refine our songwriting for the album. As for the lyrics, 'Marrow' is about refusing to shut it down when it

comes to issues that matter to me. For a long time, I tried to avoid fights and arguments with my friends, coworkers and family. However, at one point I realized that remaining silent when consistently disagreeing with someone made me feel terribly miserable inside. Speaking up may make it more tense between you and your surroundings, but it's worth it if you truly want things to change."

The Quiet Erosion is available to **pre-order** (physical version) via New Damage Records as of **today** [HERE](#). A digital pre-order is available as of **Friday, September 29** [HERE](#). Fans who take advantage of the pre-order will receive "Marrow" as an instant grat track.

Established in 2010 in Quebec City, QC, Cardinals Pride is comprised of Paré, Didier Archambault (guitar), Nicolas Doiron (guitar), Antoine McNulty-LaSalle (bass) and Nicolas Sénéchal (drums). Since the release of their EP *Priorities* in 2012, the 6-piece has toured relentlessly across Canada playing hundreds of shows, and along the way have built a name for themselves as one of Canada's best new metalcore acts.

In support of their debut full-length, Cardinals Pride will be playing a handful of dates in Ontario, Nova Scotia and Quebec. For all Canadian tour dates, please see below.
