LAST SUMMER ON EARTH 2018 U.S. TOUR KICKS OFF JUNE 1

"The diversity that's always been a hallmark of this band is really liberating when we're making records, because we never feel restricted to a certain sound. Its way more malleable than that: whatever sound we all create together, that's Barenaked Ladies." – **Ed Robertson**

(November 17, 2017 – Toronto, ON) - "**FAKE NUDES** finds **Barenaked Ladies** channeling the harmonies fans have come to love, alongside a fresh electronic-driven sound and lyrics filled with wit and empathy." That's what [Huffington Post](#) stated about **Barenaked Ladies'** new 15th studio album which arrives [today](#) via Warner Music Canada.

To celebrate the release of **Fake Nudes**, the band will be performing the single "Lookin' Up" on **The Today Show with Hoda and Kathie Lee** on **Wednesday, December 6th**. Just last week, The Ladies' unveiled the music video for the song. Watch the video [HERE](#).
