## DINE ALONE RECORDS ANNOUNCES STAFF PROMOTIONS

(June 10, 2019 - Toronto, ON) – One of the top independent labels boasting major industry awards and accolades, **Dine Alone Records** is pleased to announce a number of promotions within the company effective immediately.

The promotions are as follows: **Andrew Roach**, General Manager, **Heather Crane**, Director of Accounting & Royalties, **Justin Ellsworth**, Director of Production & Design and **Jacob Myhal**, Marketing Manager (New Damage and Dine Alone)

With the recent departure of former Dine Alone VP Lisa Logutenkow to The Orchard, came the perfect opportunity to restructure, promote from within, and ultimately continue to cultivate an environment that advances and supports Dine Alone’s commitment to emerging and established music artists.

“We are happy for Lisa and look forward to working with her in her capacity at The Orchard which is our U.S. distributor,” says founder Joel Carriere. “With her departure, we were able to take advantage of looking at areas where we could boost our staff and look at other innovative approaches to grow.”

Established in 2005, Dine Alone Records has grown from a small local operation to an international company with a roster of over 90 national and international acts, ranging from Grammy and JUNO Award-winners, to some of today’s most buzzed-about emerging artists. Dine Alone Records has won major industry awards at CMW and at the Annual CIMA Celebration and Awards Gala, and has been honoured as the Top Indie label at both alternative and active rock radio formats. Notable artists on the label’s award-winning roster over the years include Alexisonfire, City and Colour, Jimmy Eat World, The Dandy Warhols, The Lumineers, Arkells, Dashboard Confessional, Monster Truck, The Cult, Vanessa Carlton, Fildar, Wintersleep and The Dirty Nil.
